

## Welcome to the April, 2016 Newsletter!

Welcome to the April 2016 Newsletter. With the warmer weather in the Midwest, boating season is just around the corner.

As is typical this time of year, activity has picked up on the website. I know of a few people looking for a specific configuration of a Stinger 312 or Stinger 390, so if you know of someone selling, please feel free to contact me.

No new Stingers were added to the registry this past month. As it stands, there are 766 Stingers in the registry.

Until next month,  
Han

## Eyes On

This past month I had the opportunity to see a 1984 Stinger 312 located near me. I had seen this Stinger listed on the Internet years back, and it recently came back up for sale. Given the year, color, and the radar arch, I was very interested in seeing it.

As with most Stingers that I find

these days, I ran across this posted on the Internet. There were a handful of medium resolution pictures and a short description. The resolution on the pictures wasn't enough to see all of the details. I could see there were some issues, but overall the boat didn't look too bad. I was excited to go see the boat.

The weekend came, and I took the one hour drive up to see the boat. I was thinking about the boat all of the way up – when I had seen it years back I had considered making an offer for it.

Needless to say, I was extremely disappointed with the boat when I saw it for myself. There were small holes in the hull weeping water, there were plants growing out of the hull, the teak surround on the windshield was cracked, and stickers hid bare spots on the hull where one could see through to wood. And the cabin was flooded with 6" of water!

This boat had been sitting outside without a cover for years. It had been outside through the harsh Midwest winters. And it showed.

I left after seeing the boat, thinking about it the whole ride home. Someone's pride and joy when it first came out of the factory. Now, I

realized I wouldn't even consider purchasing it. I felt it was definitely a parts boat.

I relate this story as it reinforced my idea that no matter how good a boat looks in pictures, no matter how well the description is written, one must go and look at the boat in person – or at least have a surveyor look at it.

I went back over the pictures, and I can say that the pictures showed the boat in the best light possible. If I had not seen the boat in person, I might have considered the asking price. After seeing it, I felt it was a lost cause.

I realize that there are a few people out there who would still purchase the boat. But it would have to be someone specifically looking at getting a Stinger and restoring it. Someone who had the money to restore such a boat – without regards to resale value.

In fact, I spoke to the owner a couple of weeks later. Just such a person stepped forward and bought the boat. And I'm told that person expects to put it back in the water.

As for anyone looking to purchase a Stinger – either go see the boat in person, or hire a surveyor. These boats are now on average about 30 years old. Its worth having it looked at before spending the money.

## Stingers for Sale

Below is a list of Stingers that have come up for sale during the previous month. The information for each boat in this section accompanied the owner's original advertisement. If you are interested in one of the boats please contact me at [ccstinger@gmail.com](mailto:ccstinger@gmail.com).

Model: 1980 Excalibur 310  
Location: Phoenix, AZ  
Asking Price: \$12,500

I have a 1980 31ft Stinger Chris Craft. Everything is there, motors are new but have water damage. Interior is good. TRS out drives have been serviced and are in good working order. Willing to sell complete or will part out. \$12,500 OBO. Has nice triple axle trailer that has new brakes and tires with mag wheels.

Model: 1982 260  
Location: Waukegan, IL  
Asking Price: \$21,000

For Sale: DIXIE NORMOUS 1982 Chris Craft 260 Stinger Built in 1982 in Bradenton, Florida I purchased this Boat in June 2009. This boat had a scratch and/or a ding here and there yet ran and drove quite well. I'm in my mid 70's and have been a boat person all my life, and I might add that I operated a full service boat company for several years. I'm quite capable of handling any mechanical, wood or fiberglass challenges. I'm retired and I have time on my hands, so I applied myself and brought this boat up to my standards. I also have many friends in the boat business so there's very little I or they can't handle. This boat has twin 260HP, 350cu/in engines with Alpha One outdrives. It has a Teak swim platform as well as a 3 blade stainless props. I repaired the dings and scratches on the hull, prepped then painted the hull. I used the original colors for the base coat then clear coated it. Over the years I made several changes (they're listed below) because I had the ability, time and finances. I've always used Mobil 1 15/50 in the engines along with Merc oil filters. All the parts and upgrades I have used on this boat were from Mercruiser. At present the exterior of this boat is as new as are all the cushions and seats. I never got to the cabin which could use some updating. Upgrades and Enhancements that I have done to this boat. Paint entire exterior using original colors. 2010 Recovered and replaced the foam in all cushions and seats 2010 Installed remote oil filter up grade (for easy access.) 2010 Installed new exhaust manifolds & risers (center type risers.) 2011 Installed through the transom exhaust system (using 4" polished stainless) 2011 Complete ignition upgrade to Thunderbolt IV 2011 All new shift and throttle cables 2012 New Quicksilver controls 2012 Install onboard marine battery charger 2013 Install new trim and tilt sensors 2013 Complete Drive service on both drives 2014 Rebuild both Carbs. 2014 Installed new pedestals on front seats Added batteries (boat now has 4 batteries.) Installed battery quick disconnect switches Installed crossover switches for emergency starting

Model: 1982 312  
Location: Monroe, MI  
Asking Price: \$13,500

1982 312 Chris Craft Stinger, twin 454's 330hp each, trs drives. Boat's in decent shape, we put about 4K in the engines in 2011, all new gaskets, hardware, cast aluminum headers, exhaust tips, valve job. Gages are liquid filled about 5 years old. Trailer is aluminum I-Beam, all stainless hardware and disc brakes. The main problem is the gas tank developed a slow leak and needs to be repaired. It's a 150 gallon under the deck tank. Distributors have Pertronix electronic ignitions installed.

**Model: 1984 390**  
**Location: La Mirada, CA**  
**Asking Price: \$49,500**

Likely the finest original 1984 Stinger 390X in existence, particularly in the rare factory beige/brown/yellow/orange color scheme. Continues to have original hardware, colors, graphics, stereo, refrigerator, gauges, outdrives, engines, and MYCO trailer. Engines rebuilt Fall 2014, only 20 hours operation since. Trailer improved with disc brakes (were drum), new springs, master cylinder hitch assembly, tongue jack, line lock for backing, chains and more. Cabin now has Teak floor and brushed stainless fridge door. Cockpit updated with amplifier, Rockford-Fosgate speakers, stainless counter/sink top, Teak floor and trim, new upholstery, new gauge bezels and powder coated surrounds and more. Engines extremely well cared for and start/run well. Outdrives received new bellows and carrier bearings Fall 2014 as well. Fresh cockpit, deck and bottom Awlgrip Awlcraft 2000 paint with professionally applied silicone anti-skid finish. Most of this boat's life was in Portland, Oregon in fresh waters of the Columbia River. Always high-and-dry or trailered. Currently in Southern California. This boat is a joy to own/operate, and particularly rewarding when answering to compliments, questions and admiration where ever you take it! Mionli Vice is truly an important part of American boating history, that is gaining value and more notoriety every day. It can be yours!

**Model: 1985 260**  
**Location: Knoxville, TN**  
**Asking Price: \$18,000**

Here is your chance to own one of the most legendary boats in the history of offshore. This is the 26' version of the Chris Craft Stinger. This particular model is the 260 SL limited. This features upgraded graphics and interior treatments as well as the iconic radar arch. This boat was repowered with completely rebuilt 1994 Mercruiser 5.7 (350) EFI engines in 2005. Get the look and performance of the classic twin engine V-8 offshore boat with the efficiency and reliability of modern electronic fuel injection (throttle body fuel injection for you techies). Sorry, no accurate reading on the hour meters, but again the engines were completely (Crank, pistons, heads, etc...) rebuilt in 2005. This boat fires up every time, gives great performance, with a smooth ride that most new boats can't match.

**Model: 1985 314**  
**Location: St Marks, FL**  
**Asking Price: \$18,000**

1985 Chris-Craft Stinger 314 S. Twin Yamaha 225's with 500 hrs. Just completed 100 hr maintenance. Includes Garmin GPSMAP 720s, Clarion AM/FM/CD Stereo, Uniden VHF marine radio with new antenna, full canvas boat cover, trim tabs, fuel management system, new Carling rocker switch panel. Classic boat in great shape!

**Model: 1986 222**  
**Location: Powhatan, VA**  
**Asking Price: \$8,000**

1986 Stinger 222, boat is in very good condition. Chevrolet 350 Cu.in. rebuilt in 2014 has low hours. New bellows, trim senders and Gimbal bearing fall 2015. Rebuilt trailer 2015, new brake system, wheel bearings, lights and tires. Two stainless steel Props (Mirage and Chopper). Boat is dry stored now.

**Model: 1986 260**  
**Location: Knoxville, TN**  
**Asking Price: \$7,500**

This is a rock-solid all fiberglass 1986 26' Chris Craft Stinger LTD with a great trailer! It is a bit of a project, but not an insurmountable one. This boat features twin 260 hp Mercruisers with outdrives, drop down bolsters, power trim tabs, V-berths, a radar arch (not installed in the pictures but I have it), and a nice built-in swim platform. The boat was on a lift and swamped in a storm a few years ago, so the engines were removed and completely rebuilt by a professional mechanic. It has all new exhaust manifolds. The engines and drives now need to be reinstalled, but the motors have zero hours on them. The upholstery is original and complete, but is weathered. The carpet in the interior needs to be replaced. The hull needs to be polished, but, like I said, it is very solid with no soft spots in the flooring at all. The trailer is a galvanized Wesco tandem axle with brakes on both axles. This trailer is heavy duty and makes other boat trailers look like toys! The trailer itself is worth at least \$5000. I know, because I looked for one endlessly until I found this one! This is great looking, solid boat that is the perfect size for our area lakes. With a little work you can have something special for a bargain price. It has been stored inside my garage for several years which is why it is so dusty in the pictures. It is now stored under cover on its trailer. I will consider all trades, especially for old cars and/or motorcycles or later model heavy-duty pickups or vans.

**Model: 1986 312**  
**Location: Indianapolis, IN**  
**Asking Price: \$17,000**

1986 Chris-Craft 312 Stinger. Twin 454 Mercruisers rebuilt to factory 420 specs. TRS drives with new props. Older repaint & upholstery, 1200 watt inverter in cabin with 110 volt outlets, small sink, refrigerator, porta potty. Very roomy cabin that can sleep 5 if needed, 4 very comfortably. Everything works as should in cabin, CD player with 2 speakers in cabin & 2 outside. Road cover, cockpit cover, bimini top. Shore power hook up, a very solid boat for the year. I removed the arch & still have it. Trailer included. I can text or e-mail pics. Motivated seller, make offer.. \$23,000.. OBO.

**Model: 1986 314**  
**Location: Marine City, MI**  
**Asking Price: \$20,000**

Overall length of boat about 37'. Nice aluminum trailer possible trade hot-rod, pole barn, land, equipment???

**Model:** 1987 415  
**Location:** Marine City, MI  
**Asking Price:** \$40,000

The boat is kept in my house inside well with hoist. The person i purchased it from purchased it in 1992 its been stored inside on its trailer. 2 502 big blocks risers with dual feed holley carbs and custom headers (not the original engines) very clean engine compartment. Fresh complete tune up, wires ,plugs distributor, coils and so on all high performance parts fall of 2015. I will be making a lot more improvements this spring. I don't have any pics of the cabin now but i will get some when its warmer or upon request. Its all in nice condition. Runs and sounds awesome, windy 2 foot chop 62 mph gps. Turn key boat.

**Model:** 1988 202  
**Location:** Rochester, NY  
**Asking Price:** \$8,000

I have a super rare 88' chris craft stinger 202 for sale. It has 165 hours on the hull. This boat is like brand new. I literally just finished it. This is the coolest fiberglass speed boat that Chris Craft ever made and was made for the Miami Vice tv series. They were built in very limited quantities and there are only a handful of these left. There is a website dedicated to them, I know of no other boats that have a cult following. I built this one to be better than it was originally. It is an attention grabber. I get compliments on it wherever I am and have had numerous offers on it even before I restored it. I'm selling it because I'm getting married and need the money. I just put well over \$7500 into it this summer alone and have well over 12K into it total. I had planned on using it but sadly it needs to go. Weddings are insanely expensive and I'm finding out the hard way. I replaced the motor and outdrive. It has an OMC 4.3L v-6 and an OMC cobra outdrive. Next, I gutted the boat completely and installed new marine ply, fiberglass, carpet, custom built seats and engine cover and had everything professionally upholstered. I installed a new GT steering wheel, a Sony marine cd/mp3/satellite radio which sounds awesome, a new bilge pump, new fuel lines, new aluminum swivel/slider/adjustable height seat posts and new Tracker style folding seats. The interior work cost over \$4K alone but was well worth it. It came out awesome. I had a 4bbl. Rochester carb installed which brings the HP up to 205 and will do over 60MPH. I had the pin striping re-done on the boat and matching Shorelandr trailer. I replaced the tires, lights, and started to strip and repaint the entire trailer. It also has a new deep cycle battery. There are 2 swim platforms molded into the stern that have teak foot boards and they were also refinished and look great. I also just purchased a new trailerable cover for it. I even just filled the tank with ethanol free 93 octane fuel. I'm probably forgetting a lot. If you're interested you must include the words eighty-eight chris craft to get a response due to spammers. I know it's the wrong time of the year to sell a boat and I could get more for it this spring which is why I priced it where it is. It is well worth the money. Chris craft builds the very best boats around and this one is better than new.

**Model:** 1988 260  
**Location:** Port Washington, WI  
**Asking Price:** \$6,500

1988 Chris Craft Stinger Project If you like it fast and loud this is the project for you. 26.5 ft Chris Craft Stinger with all the parts to put this back together and get it running are included, except for one gimbal unit and a few small parts. Cockpit will need to be redone. The cabin is in fine shape. It has a swim platform and a radar arch. It does need some tlc and the bottom painted. Tandem axle trailer with surge brakes, can be towed anywhere. The 5.7 Mercruiser engines have been removed to replace the gimbals. Starboard 260 hp motor has been rebuilt three years ago and has less than two hours running time. The port 270 hp motor has been rebuilt a few years back with low hours on it. Both alpha drives with props are included. One gimbal has been purchased and another will be required. The steering system was recently been rebuilt with a replacement hydraulic steering cylinder and cable. A bimini top is also included. I have over \$13,000 in this

project and have lost interest. This a bargain at \$6,500 Still in storage and will be out April 1

**Model: 1988 260**  
**Location: Kingston, NY**  
**Asking Price: \$4,500**

Boat Hull is pretty clean, Imron paint two years prior to me buying her in 2013 (per previous owner), set up for SBC twins and alpha drives, off- color repaint spot, stbd side above rub rail. DOES NOT INCLUDE ENGINES, but includes drives, bennet tabs, all cables, rigging and harnesses in place. has drop down bolsters with adjustable headrests, but the upholstery is SHOT. the top edges are all split from sun and exposure ( prior to me owning it), no back seat and no sunpad cushions. cabin cushions are intact and upholstery is good. through-hull exhaust and integral swim platform. Chris Craft also puts the HIN on the hull itself so you can run it with the platform removed. Includes Boatmaster aluminum double axle trailer, needs new brakes, tires good, 6 lug wheels. I'm open to offers and possible trades (work van?) ( big Blocks?). she needs some work but I also restore these and i know what a great boat she will be again, i just happen to own several Stingers and i need to let one or two go.

**Asking Price: \$23,000**

1988 Stinger 312 Fittipaldi Equipe. 34 foot bow to stern. Twin normally aspirated GEN V 502 HO's(Casting # 14096859) and Bravo Ones. I just had the port side Gimbal Ring replaced with OEM Mercruiser parts and installed by a Mercruiser certified shop, Dynamic Speed and Marine in the summer of 2014. Both outdrives have new trim sensors, exhaust boots, seals, drive oil, paint and graphic's. The out drives have not yet seen water since rebuild. I am rebuilding the Sea Pumps and addressing the Quadra jet Carburetors this spring 2016. Most likely Quadrajet Remanufactured Marine Carburetors. I have the Survey and Sea trial paperwork when I bought her in September of 2013. The rear seat and the bolsters have been re-fitted. The mooring cover needs to be replaced but I'm working on that. She looks great and is sea worthy. 6 new tires and a new spare with bearing buddies.

Asking Price: \$5,500

1985 Chris Craft Cigar boat with day cabin..inboard/outboard twin 454's with steel tri axle trailer. The trailer is newly built and I have just spent over \$1,000 on 6 new tires. The tires are mounted on aluminum saw blade American racing wheels. I also have new tear drop style steel fenders as well for the trailer. The boat does need work such as fiberglass work, engine over hauls and upholstery. and one axle needs welding. The boat is very sound and well built.
