

## CHRIS-CRAFT STINGERS

### Welcome to the August, 2012 Newsletter!

Stingers continue to be added to the registry – there are now about 518 documented Stingers. I believe there may be some duplicates in the registry however, as boats get painted, and I can't always verify identifying information. So if you happen to browse the galleries section, and you see a boat that's been listed multiple times, please let me know and I will correct it.

There's a new feature on the galleries section of the website. At the top of the page, you will now see a bar that displays click-able images of 8 boats whose information has been most recently updated. As I come across pictures of boats, or information changes on boats, the images will also change. It's a quick way for website users to see the latest updates.

As always, if you have any information on any Stingers, please feel free to contact me.

### Where Are They Now?

Stingers were built in a couple of different Chris-Craft plants around the United States and Canada. But in documenting the Stingers, I was

interested in determining where they are now.

When I come across a Stinger on the website, I note the location of the boat. I do this either by getting it from the description of the boat, or from the registration number. If neither of those is available, I will look at the license plate on the trailer if there is one.

Over the years, I've noted that there seems to be certain areas where the Stingers are clustered. Of course, you will find Stingers by large bodies of water and by large populations. But, I wanted a more detailed look, so I went through and counted the state and the number of Stingers and have come up with the following:

<u>Num</u>	<u>State</u>
44	Florida
29	New York
27	Michigan
23	Ohio
22	Maryland
20	Texas
19	Missouri
19	New Jersey
11	Illinois
11	Pennsylvania
11	California
10	Massachusetts
10	Minnesota
9	Georgia
7	Wisconsin
6	Louisiana
5	Indiana

5	South Carolina
5	North Carolina
4	Arizona
4	Connecticut
4	Kentucky
4	Nevada
4	Virginia
4	Washington
3	Idaho
3	Kansas
2	Alabama
2	Maine
2	Oklahoma
2	Tennessee
2	Vermont
1	Arkansas
1	Colorado
1	Mississippi
1	New Hampshire
1	South Dakota
1	West Virginia

No surprise Florida is first, as that's where most of the Stingers were built, and where Chris-Craft had its headquarters. But, as is shown in the analysis above, the remaining Stingers seem to be clustered on the north-east coast, in the mid-west, Texas and California.

More surprising to me, however, is how many Stingers show up in other countries:

<u>Num</u>	<u>Country</u>
35	Canada
11	Finland
11	Germany
4	Sweden
3	Belgium

2	Spain		and maybe even had dealerships
1	Brazil	Canada being first on the list makes	there. Obviously, this is another
1	France	sense to me. But the clustering of	avenue for research in the history of
1	Japan	Stingers in Finland and Germany is	the Stingers.
1	Tenerife	interesting. I'm guessing that Chris-	
1	Hungary	Craft was popular in those countries

1987 Chris Craft Stinger 42ft. MerCruiser twin 496 engines, Myco trailer, deck awning, head, 3 batteries and fiberglass hull. We purchased the boat as a hull then totally restored it about 10 years ago. About 6 years ago we installed two new 496 magnum merc cruiser engines with currently about 200 miles. We rewired the entire boat about 3 years ago. This season we replaced the manifolds So the boat has been maintained and is in good working order I would characterize the finishes of the boat as "worn around the edges" but as hinges and snaps corrode we replace them The boat has a working head & shower Galley/ microwave/ref/sink TV stereo/cd/sat system/ ipod dock deck compass GPS

Model: 1988 202  
Location: Seattle, WA  
Asking Price: \$7,500

This is a 1988 Chris Craft stinger. It has the original OMC 4.6L V6. it has about 820hrs. It is in good condition, it had a tune up at the end of the season to tighten up some belts, etc. These pictures are old, but the boat is currently winterized, so I can't get any current ones. You would not believe the attention you get for this boat. In addition to being bright red, it is a Chris Craft, these boats are instant classics and extremely well built. The Stinger line is famous because the original pilot of Miami Vice featured the 39' version of this boat. I have to sell because I'm looking at business school, and I won't have time for the toys. I have a great arrangement for moorage in lake washington as well, in a marina, on a boat lift, for \$225/month. We can talk about transferring the lease. This price comes with the boat trailer and accessories, lines, fenders, extra aluminum prop, etc. If you would like to see comparable sale prices or find out more about the history of these boats, check out [www.chriscraftstingers.com](http://www.chriscraftstingers.com) this boat is on the registry there at: Seattle 202 Gallery

Asking Price: \$25,000

For age and year this boat is in excellent condition. Interior includes new flat screen television and new kitchen counter top. Air Conditioning and complete kitchen. When I purchased the boat, I was told the interior had undergone a \$15,000.00 renovation. I spoke to the technician who installed the stereo who informed me the cost was \$7,200.00. I am not into music but I am told you can hear it in the next county. I am told both engines have been rebuilt. Combined, the engines have less than 100 hours on them. The boat is in the water now. Boat includes matching upholstered rear engine covers not shown in the pictures. Outdrives: I had the outdrives soda blasted and enameled painted. Outdrives are in working condition but do not view well. New props. I have a spare set of outdrives that go with the boat. I decided to use the old ones until I either tore them up or blew them up. Going with the old adage...if it's not broke, don't fix it. Trailer (Not Included) :if you purchase the boat at the Buy it Now price, trailer will be included. Trailer is not fitted for this specific boat. I use it only for towing for service. The only reason I am selling this boat after only 6 months of ownership is because I have decided I want a bigger more gas guzzling boat. I want a big express cruiser. You can search youtube for a video made by the prior owner (search: 1989 Chris Craft Stinger 415 Rhode Island) I am providing this information solely for visual reference of the boat. The boat is located in the water on Emerald Isle, North Carolina.

This boat is in very good condition. It is shiny on the outside and in very good condition on the inside. It will need some detail work but nothing major. It is very solid with NO leaks. It has (2) 502's. The port engine has less than 5 hrs on a total rebuild and the starboard engine has less than 50 hrs. The motors were built by a certified mechanic that race motors. The motors fire up instantly. The transmissions shift very smooth. The refrigerator works. It has a big sound system. It's a real fun FAST boat and it handles great. Give me a call to see it.
