

## Welcome to the November, 2012 Newsletter!

Welcome to the November, 2012 edition of the chriscraftstingers.com newsletter. I wanted to take this moment to wish everyone on the east coast well. Sandy was a large storm that brought lots of damage. Through running the website, I know a quite a few people in the New York/New Jersey area - I would like to wish you all well.

In the "for sale" section of this newsletter, you will notice quite a few Stingers have sold recently. I'm not sure why there has been such a pickup in selling recently. Perhaps it's the end of the season and sellers are lowering their prices?

Speaking of selling Stingers, within the last couple of months I've made changes to the website to increase visibility on the Internet, specifically in regards to the "for sale" page. What this means is that boats listed for sale on the site will reach a wider audience.

Another change you might notice is the inclusion of dynamic graphs on the registry page. Previously, the graphs on the registry page were images that sometimes displayed data months behind what was in the registry. The new graphs are now updated automatically from the registry so they should show the latest data.

The registry now has 526 documented Stingers. I actually know of more Stingers, but don't officially add them to the registry until

I get some verification of the boat, for example pictures of the boat. Once I can identify the boat, then it's added to the registry.

As always, I'm looking for any info on any Stingers that may or may not be in the registry. I come across Stingers that are not in the registry less often now. I'm guessing the upper limit on remaining Stingers to be between 600-700.

Han.

## Open-Bow Stingers

Through documenting Stingers for the website, I've had a chance to see quite a few modifications done to them. As to be expected, the most common modification seems to be owners painting their boats or swapping engines.

Some owners, however, make more extreme modifications - reworking cabins or cockpits, converting I/O 312s to purely outboards (in effect, creating a 314), etc.

One of the more interesting modifications I've seen on some of the Stingers is converting them to an open-bow. This modification requires significant changes to the deck and cuddy cabin, but increases the amount of seating. Interestingly enough, I've seen this modification done mainly on the 202 models.

Below are a few pictures of 202s converted to an open-bow configuration:

I'd guess that the 202s are prime candidates to convert to open-bow as that increases the seating area significantly. But the modification must come at a cost - handling of the boat when fully loaded must be less than optimal.

Other than the 202s, I know of at least one 312 that was converted to an open-bow configuration. This boat is a 1988 312 located in Iowa. The story is that the current owner bought the boat as a repo from the bank - the previous owner had gutted the cabin. With the cabin gutted, and his kids wanting the open-bow configuration, he modified the boat. You can see the results:

I will admit that the 312 open-bow

configuration looks like it would be a minor modifications that have been interesting variations.  
lot of fun! made to Stingers by their owners  
over the years - I encourage you to Until next month,  
Of course there are a lot of other peruse the gallery pages to see the Han

This is a very clean 1987 Chris Craft Stinger 260 on a 1995 Performance Trailer. This boat has been maintained with an open checkbook and it shows. The 350's have approx. only 40 hours on them, high rise Edelbrock intakes that are near new. This boat cruises at 3000 rpms or 35-38 mph with a top end of near 70 mph. It has a CD player, bolster seats, huge sundeck, refrigerator, swim platform with ladder, 2 stainless steel props. This one is ready for the water. It does come with a custom cover, however, it is age delicate and could be replaced. Really nice boat - Must see to appreciate it!

**Asking Price: \$89,500**

1987 Chris Craft Stinger 42ft. Mercruiser twin 496 engines, Myco trailer, deck awning, head, 3 batteries and fiberglass hull. We purchased the boat as a hull then totally restored it about 10 years ago. About 6 years ago we installed two new 496 magnum merc cruiser engines with currently about 200 miles. We rewired the entire boat about 3 years ago. This season we replaced the manifolds So the boat has been maintained and is in good working order I would characterize the finishes of the boat as "worn around the edges" but as hinges and snaps corrode we replace them The boat has a working head & shower Galley/ microwave/ref/sink TV stereo/cd/sat system/ ipod dock deck compass GPS

**Model:** 1988 202  
**Location:** Seattle, WA  
**Asking Price:** \$7,500

This is a 1988 Chris Craft stinger. It has the original OMC 4.6L V6. it has about 820hrs. It is in good condition, it had a tune up at the end of the season to tighten up some belts, etc. These pictures are old, but the boat is currently winterized, so I can't get any current ones. You would not believe the attention you get for this boat. In addition to being bright red, it is a Chris Craft, these boats are instant classics and extremely well built. The Stinger line is famous because the original pilot of Miami Vice featured the 39' version of this boat. I have to sell because I'm looking at business school, and I won't have time for the toys. I have a great arrangement for moorage in lake washington as well, in a marina, on a boat lift, for \$225/month. We can talk about transferring the lease. This price comes with the boat trailer and accessories, lines, fenders, extra aluminum prop, etc. If you would like to see comparable sale prices or find out more about the history of these boats, check out [www.chriscraftstingers.com](http://www.chriscraftstingers.com) this boat is on the registry there at: Seattle 202 Gallery

88 Chris Craft Stinger with 2- 330hpr 350 V8's We have redone all the exterior upholstery and 90% of the interior. New stereo and VHS Port engine has 50 hrs stbd has 300 hrs Remaining issues Stbd engine has a leaking exhaust manifold that needs to be addressed. I am connecting the stereo and VHS before it sells. I have also been reinforcing the swim deck. This boat is well worth the money and leaves plenty of room to make money on this boat if that is your choice. I have all documentation from new and from the original owner. Worth the time to look and see if it's your ticket to the Prop Stop.

1988 CHRIS CRAFT STINGER 311. NO MOTORS. HAD A PAIR OF YAMAHA 250 HPDI's on it . They pushed it 58 MPH on gps. It would cruise a 40MPH all day long while getting 2 mpg Better between 30mph and 40 mph. Love the boat need something smaller. Therefore i am really looking to trade for a Paramount 21 . Or a reaction, or anything "splashed " from the Paramount 21 superfisherman. Overall the boats in good shape for almost 25 years old. Needs Upholstery, And a few other small things. No major damage or issues. Yes the trailer is included. Nothing to write home about. I only drive about 5 miles to the ramp, so for me it serves its purpose. Pictures were taken 09/03/12 Thanks for Looking.

**Model:** 1986 260  
**Location:** Anderson, SC  
**Asking Price:** \$15,500

This Christ Craft Stinger has been taken care of and lake run only. This is an original boat like it came from the factory w/ no major changes The Stinger 260 is over 28' with the integrated swim platform that was added at the factory. Stored indoors 100% of the time. Original paint still shines bright w/ no fading. Engines are a pair of Mercruiser 350s with Alpha counter rotating drives and 3 blade stainless props. In boat rebuild performed 2005. Counter rotating drive new in 2002. Engines were upgraded to Tempest spec's with heads, cam, intakes, carbs, to increase power from 260 hp to 300 hp each. Double MSD ignitions. Approx. 875 hrs on each engine, 350 since rebuild. Engines are strong and sound great. The radar arch and classic lines are timeless and the boat turns heads everywhere it goes. The Stinger was made to run off-shore and will handle anything a lake can dish out in comfort and style. Trailer is a Road Runner 30' triple axle steel beam painted trailer in excellent condition w/ 4 new tires. Trailer is newer than boat and rated at 10,000 lbs which is more than enough to handle the stinger. I have never used the surge brakes and think they need servicing to get them working. I tow it with a Sierra 1500 5.3 L V8 with no trouble. Interior is perfect and looks like new. Features Custom cock pit cover Counter rotating drive Power steering Trim tabs Swim platform Radar Tower UHF Ship to Shore radio Small sink Power steering Synchronize Diamond plate on engine compartment floor Double batteries Double MSD ignition Suns deck pad is new (thicker than original) Drop down pilot and co-pilot seats aluminum/rubber rub rail has been replaced Tilt wheel new batteries w/ sale (2) Things that will need attention: Starboard Tachometer not working (probably MSD link) Port Alternator stopped charging in Aug. (running on 1 alt.) Forward Bomar hatch needs new aluminum slide arms to operate properly Trailer surge brakes need service Need new UHF antenna 5 gal fresh water tank leaks (easy to get to under sink)

**Asking Price:** \$12,000

39 ft. Chris Craft Stinger project boat. This boat has twin 480 ci big blocks that have less than 10 hours. This has speed master 3 out drives with Borg Warner transmissions, hydraulic steering, and K Plane trim tabs. The interior has been recently taken apart, but I have all the parts ready to be re-upholstered. The previous owner spent \$25,000 per motor and the drives are worth about \$10,000 a piece. I am giving this boat away at a sacrifice of \$12,000 OBO due to the fact that I don't have the time to put it back together. This boat also comes with a tri-axle trailer that is in very good condition.

I have a super rare 88' chris craft stinger 202 for sale. It has 165 hours on the hull. This boat is like brand new. I literally just finished it. This is the coolest fiberglass speed boat that Chris Craft ever made and was made for the Miami Vice tv series. They were built in very limited quantities and there are only a handful of these left. There is a website dedicated to them, I know of no other boats that have a cult following. I built this one to be better than it was originally. It is an attention grabber. I get compliments on it wherever I am and have had numerous offers on it even before I restored it. I'm selling it because I'm getting married and need the money. I just put well over \$7500 into it this summer alone and have well over 12K into it total. I had planned on using it but sadly it needs to go. Weddings are insanely expensive and I'm finding out the hard way. I replaced the motor and out-drive. It has an OMC 4.3L v-6 and an OMC cobra out-drive. Next, I gutted the boat completely and installed new marine ply, fiberglass, carpet, custom built seats and engine cover and had everything professionally upholstered. I installed a new GT steering wheel, a Sony marine cd/mp3/satellite radio which sounds awesome, a new bilge pump, new fuel lines, new aluminum swivel/slider/adjustable height seat posts and new Tracker style folding seats. The interior work cost over \$4K alone but was well worth it. It came out awesome. I had a 4bbl. Rochester carb installed which brings the HP up to 205 and will do over 60MPH. I had the pin striping

re-done on the boat and matching Shorelander trailer. I replaced the tires, lights, and started to strip and repaint the entire trailer. It also has a new deep cycle battery. There are 2 swim platforms molded into the stern that have teak foot boards and they were also refinished and look great. I also just purchased a new trailer-able cover for it. I even just filled the tank with ethanol free 93 octane fuel. I'm probably forgetting a lot. I know it's the wrong time of the year to sell a boat and I could get more for it this spring which is why I priced it where it is. It is well worth the money. Chris craft builds the very best boats around and this one is better than new.

1987 26' Chris Craft Stinger. This 87 Chris craft has been very well maintained. Never bottom painted or left in water more than a few days. Heavy boat handles the great. It has a pair of fresh water cooled 383 stroker's with very few hours (less than 5 hours). Just replaced port out drive last year and the starboard 4 years ago. Both intermediates have been replace about 5 years ago. Interior is OK front two bolsters could use to be redone but are still in good condition. Replaced rear sun pad cushions and rear seat about 5 years ago. Custom aluminum swim platform. Comes with trailer, trailer is in ok shape does the job could use some work needs fenders, brakes removed a long time ago as i only went a couple miles to water. Email with any questions. Ready for season, bay tested already.

I HAVE OWNED THIS STINGER FOR 7 YEARS AND LOVED IT EVERY DAY! THE TIME HAS COME FOR A CHANGE. I WANT A 30+ PONTOON HOUSEBOAT(MYACHT) OR SIMILAR. THIS BOAT STAYS INSIDE AND GETS TOP NOTCH CARE FROM MYSELF. LIST OF NEW ITEMS: \*NEW MANIFOLDS \*FULL SYTHETIC ENGINE AND DRIVE OIL \*RECENT COCKPIT INTERIOR \*NEW PLUGS WIRES CAP ROTOR \*STEREO WITH SUB AND IPOD PLUG IN \*SO MUCH TO LIST I SPARE NO EXPENSE \*BOTTOM PAINT IS NOW BLACK THIS BOAT WILL RUN IN 6-7 FOOT SEAS WITH NO PROBLEM! EXTREMELY RELIABLE AND A HUGE CONVERSATION TOPIC. IT WAS RUMORED THAT THIS WAS THE BOAT USED IN THE PILOT EPISODE OF MIAMI VICE! THEY USED THIS ONE BECAUSE THEIR WAS A BRIDGE SEEN AND THEY USED THIS ONE WITH NO RADAR ARCH TO CLEAR UNDER IT. ALL BOATS USED AFTER THE PILOT HAD ARCHES AND A DIFFERENT INTERIOR LAYOUT. I WILL INCLUDE A NEW(1 YEAR OLD) TRI AXLE TRAILER. THIS BOAT I GUARANTEED TO BE TURN KEY READY TO GO ANYWHERE!
