WWW.CHRIS CRAFTSTINGERS.COM NEWSLETTER, MARCH 2011

Dear members,

Welcome to the April, 2011 edition of the www.chriscraftstingers.com newsletter. Spring is a busy time of the year for boat buyers and sellers. A lot of Stingers have come up for sale in the past month, including two 390Xs and two 312 Fittipaldi versions. This newsletter includes boats that have come up for sale in March.

I'm pleased to say that the website continues to grow. I have documented approximately 189 Stingers from around the world – each with its own unique story. One boat in particular deserves mention – a 1988 415 (<http://www.chriscraftstingers.com/atlantic%20charter%20415.html>) – this 415 is available for charter in Tenerife in the Canary Islands! Follow the link on the gallery page to see more information about the charter operation run by Atlantic Charters. A chriscraftstingers member has booked a charter on the boat, so I hope to have a story and more pictures of the boat posted soon.

If you are looking for parts for your boat, please check out the parts page on the website. This will be updated shortly with new parts. If you don't see a part on the page that you are looking for, please contact me directly as I may know of someone who has the part you are looking for.

Please feel free to distribute this newsletter to anyone interested. If you would like to be removed from the newsletter mailing list, please let me know.

I'm always looking for Stingers that I don't have on the website, or any suggestions on how to make the website better – so please feel free to contact me at any time.

The description included with each boat below was included in the original advertisement. Asking price may have changed since boat was last listed. More photos of each of the boats can be found on the website.

Han.

Hull only Hull has been rehabbed. I have all parts except transom assemblies. Motors are 420's and drives are TRS. Motors ran when removed from boat.

Model: 1986 222
Location: Hahira, GA
Asking Price: \$11,000

1986 Chris Craft Stinger. Chevy 350 with alpha one outdrive. Stand up Bolsters seats that came out of a Donzi. Customs paint. 4" chrome exhaust. This boat was a project boat for me, when i bought it, everything was stolen out of it. There are only three things that keep it from getting on the water. 1. A set of marine gauges, 2. refresh the outdrive and 3. rebuild the carb. The baot does start up and run until the carb floods. It has a 650 cfm Q-jet. Please feel free to contact me if you have any questions. Thanks. Reno Any and all offers will be considered.

39' Chris Craft Stinger Cigarette Boat This boat has been totally upgraded and well maintained. This was the boat used on the original Miami Vice TV Show! It is mechanically well maintained and has had numerous upgrades throughout the years. Both the main engines were brought to a top engine building shop and rebuilt and dyno tested to 520 HP All the best parts were used but were careful not to go too far on the horsepower so that the engines would remain very strong yet very reliable. She is ready to cruising!! Exhaust system was upgraded to a stainless steel exhaust. The boat has an Onan generator, air conditioning, heat, fresh water tanks, halon fire system, upgraded stereo, new snap in carpet, new boat cover, and new paint scheme. The rear of the boat has a large swim platform which makes easy access for those fun water activities. At the rear of the boat, there are two large cushions for lounging and catching some sun!! The cockpit has plenty of sitting to the rear all redone in nice bright white. To the starboard side there is the steering helm with bench sit. The interior of the cabin has been all updated with contemporary colors and fabrics to obtain a more modern up to date appearance. As you enter the cabin there is a sink, wine cooler/Ref. to port side. Separate compartment for toilet is located to starboard side. There is ample sofa seating to port and starboard which converts into a bed for those fun weekend get away!!
